**NOVEMBER 9, 2004**  
**FOR IMMEDIATE RELEASE**

## **MEXICAN NATIONAL SENTENCED FOR TRANSPORTING ILLEGAL ALIENS**

**SPRINGFIELD, Mo.** – Todd P. Graves, United States Attorney for the Western District of Missouri, announced that a Mexican national was sentenced in federal court today for transporting illegal aliens within the United States.

**Miricio Mendoza-Butron**, 25, of Mexico, was sentenced by U.S. Chief District Judge Dean Whipple this morning to one year and six months in federal prison without parole.

On Aug. 9, 2004, **Medoza-Butron** pleaded guilty to transporting illegal aliens within the United States. **Mendoza-Butron** admitted that he transported 14 illegal aliens within the United States in a motor vehicle on Feb. 24, 2004, in Greene County, Mo.

**Mendoza-Butron** was transporting the illegal aliens in a GMC seven-passenger van that had an Arizona license plate, Graves said. The only seats in the van were the driver's and front passenger's seats. Thirteen of the aliens were riding lying or sitting on the floor of the van without seat belts, Graves said. **Mendoza-Butron** picked up his passengers in Phoenix, Ariz., on Feb. 22, 2004, and was transporting them to Pennsylvania where the passengers hoped to obtain work. **Mendoza-Butron** drove the van the entire trip, and each passenger was expected to pay **Mendoza-Butron** \$500 for transportation to Pennsylvania. The passengers had not left the van during the trip, and urinated into a plastic gallon jug during the trip, Graves added.

The passengers had entered the United States illegally earlier in February by walking across Mexico's border with the United States and traveling to Phoenix.

**Mendoza-Butron** was originally charged in an indictment returned by a federal grand jury on Feb. 26, 2004, in Springfield.

This case was prosecuted by Assistant U.S. Attorney Douglas C. Bunch. It was

investigated by the Bureau of Immigration and Customs Enforcement and the Missouri State Highway Patrol.
